**RESOLUTION NO. 2-2018
AS AMENDED**

A Resolution of the Terre Haute Indiana, Common Council
Designating an Area Within
the City of Terre Haute, Indiana as an Economic Revitalization Area
for the Purpose of a Real Property Tax Abatement

WHEREAS, a Petition for 10 year real property tax abatement has been filed with the Terre Haute Common Council (hereinafter "Council") requesting that the property described therein be designated as Economic Revitalization Area for purposes of real property tax abatement; and

WHEREAS, Tredegar Film Products US, LLC (hereinafter the "petitioner,") has submitted a Statement of Benefits and provided all information and documentation necessary for the Council to make an informed decision, said information including a description of the real property which is more particularly described in Exhibit A (the "subject property") and the estimated tax to be abated as shown in Exhibit B.

WHEREAS, petitioner has represented and presented evidence that in connection with the Project, Petitioner retain approximately 121 employees with annual salaries of \$6,757,683 and will create approximately 34 new permanent full-time jobs with a total annual payroll of approximately \$1,897,200. Petitioner has further represented and presented evidence that the cost of this project will be approximately \$8,835,000 for real property improvements and \$16,887,827 for personal property improvements.

WHEREAS, the Council is authorized under the provisions of I.C. 6-1.1-12.1-1 et. seq. to designate areas of the City as economic revitalization areas for the purpose of tax abatement; and

WHEREAS, the Council has considered the petition and Statement of Benefits and has conducted a complete and proper investigation of the subject property and neighborhood to determine that the area qualifies as an economic revitalization area under Indiana statutes; and

WHEREAS, the Council has found the subject property to be an area where facilities that are technologically, economically, or energy obsolete are located and where the obsolescence may lead to a decline in employment and tax revenues and has become undesirable for or impossible of normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements, character of occupancy, age, obsolescence, substandard buildings and other factors which prevent normal development or use;

NOW, THEREFORE, IT IS FOUND, DETERMINED AND RESOLVED by the Council that:

1. The petitioner's estimate of the value of the redevelopment and rehabilitation and the project to be constructed on the subject real property is reasonable for projects of that nature in order to maintain, expand, update and improve opportunities and capacity for manufacturing.

2. The petitioner's estimate of the number of individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project and the redevelopment and rehabilitation.

3. The petitioner's estimate of the annual salaries or wages of the individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project and the redevelopment and rehabilitation.

4. That the other benefits about which information has been requested can be expected to result from the project and the redevelopment and rehabilitation.

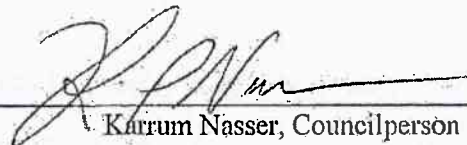

5. The totality of the benefits of the proposed redevelopment and rehabilitation can reasonably be expected to result from the project and are sufficient to justify a 10 year real property tax deduction from assessed valuation under Indiana statutes, in accord with the attached Deduction Schedule and each such deduction should be, and they are hereby, allowed.

6. That the Council has considered the Petitioner's total investment in real and personal property, the number of new full-time equivalent jobs created by the Project, the average wage of the new employees compared to the State minimum wage and the infrastructure requirements for Petitioner's investment and, based on such factors, has determined that the petition for designating the subject property as an economic revitalization area for the purposes of 10 year real property tax abatement and the Statement of Benefits copies of which were submitted with the petitions are hereby approved and the Real Estate described hereinabove is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 et. seq., and petitioner is entitled to the 10 year real property tax abatement provided therein for the proposed redevelopment and rehabilitation in accord with the schedule attached as Exhibit C.

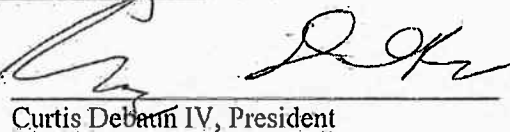

7. That notice hereof should be published according to law stating the adoption and substance hereof, that a copy of the description of the affected area is available for inspection in the County Assessor's Office and stating a date on which the Council will hear and receive remonstrances and objections and take final action, all as required by law.
