**Paragraph Text\*:**

I've been in recovery 24 yrs, and understand that we need to regulate the recovery houses , and hold them responsible in our community. There is a law maintaining a community nuisance. Why not fine them for their behavior. I speak for all in the recovery community when I say , we all felt attacked and appalled by the comment in the tribune star by city councilman that stated we could find a place in the city to put all the recovery homes in, they could have their own gas station and grocery store. We all feel not worthy or good enough, then to try to segregate us., is wrong. He owes all of the Recovery community public apology.. Sad to think we voted him into office.
