Paragraph Text*: I previously sent an email re: Area7 Thrive
After reading It I may not have been very clear about my suggestion
Thrive helps seniors & disabled get to doctor appointments, grocery do not have family members that can change their work schedules to accommodate my appointments. Most of my immediate family lives out of town.
I know that at times when going to the grocery there is sometimes seven or eight of us on the bus at one time it's very important that we have a service that is so convenient for four seniors. Even I would really appreciate it. I know that there are others that would appreciate Area 7 and thrive being supported by the city, it's sad that a service so much needed is being deprived of funds that they desperately need. Thank you again my name is Barbara Boyle I'm a lifelong resident of Terre Haute yes and I do you have a mobile phone 812-229-4174. If I don't answer I have a crazy recording just leave a message or text me. I get text messages immediately. Thank you
