Hello!

Friends of Rea Park, Inc. and the City of Terre Haute have scheduled groundbreaking ceremonies for the historic 1925 clubhouse next Monday, March 18th at 10:30 a.m. at the park. Mayor Sakbun, along with individuals representing the TH Park Department, Friends of Rea Park, and the project architect, will be speaking. TH South High School's marching band will provide music for the event. There will be a reception in the main hall of the clubhouse after the ceremony. You will have an opportunity to meet with project partners and others involved in the renovation process. Light refreshments will be served.

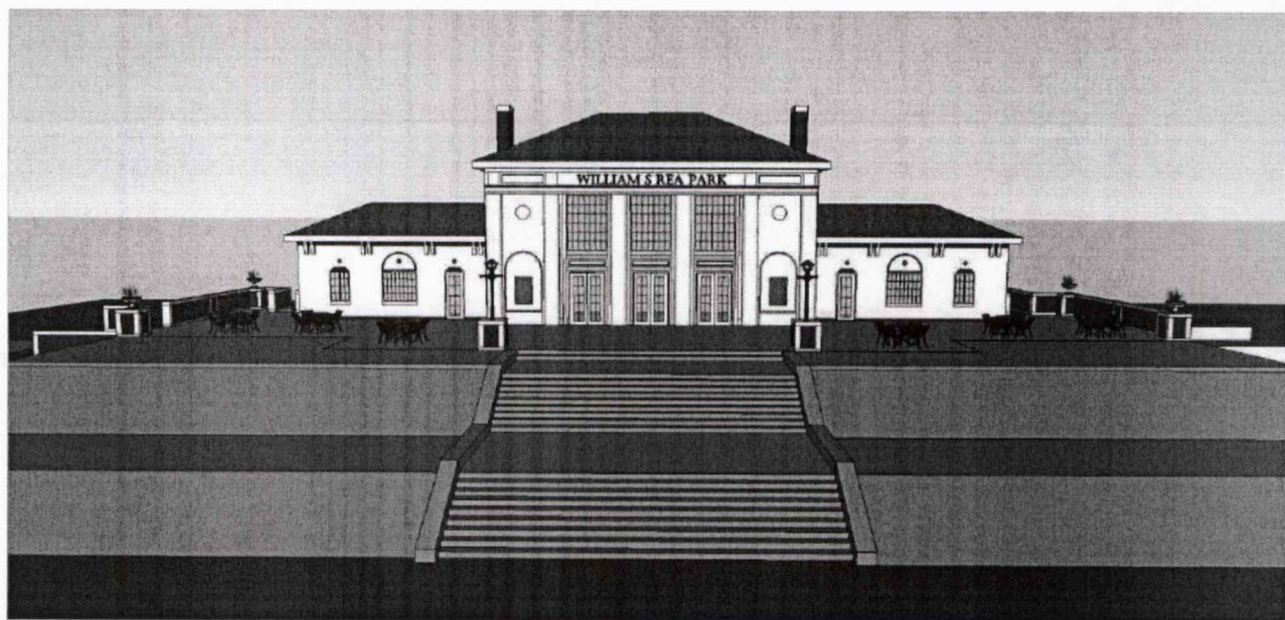

This is the last time many of you will have an opportunity to view the original building, as many changes are planned for the structure. It is estimated that it will take 18 months to complete the full restoration. Dedication ceremonies are planned sometime during the fall of 2025.

Please try to take time to attend, and by doing so, honor William and Geraldine Rea who were so gracious and forward thinking to establish such a wonderful facility on Terre Haute's southside 100 years ago.

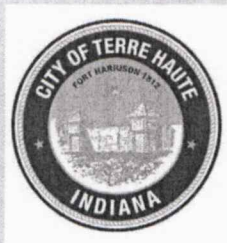

See you next Monday, March 18th at Rea Park!

Dr. Michael L. Harding  
President, Friends of Rea Park, Inc.
