Terre Haute City Cemetery Annual Report

Key Accomplishments

- Shop Parking Lot improvement
- Tree removal at Woodlawn Cemetery
- Drain replacement at Highland Lawn Cemetery
- Equipment and alarm upgrades including new mowers, that will help cemeteries reduce long-term maintenance costs
- Grave Platting expansions
- Purchased materials to replace Woodlawn Cemetery Fence

Collabrative Projects

Plans to continue collaborating with Indiana Landmarks and the City Engineering Department to advance our Chapel and Bell tower renovation project.

Opportunities for 2025

- Upgrades to the Ash Garden Area that include improved landscaping and seating options
- Improvements to facilities that will ensure the tools and spaces necessary are available to maintain high standards
- Office Manager Roxe Anne Kesner will be retiring, and training of an individual that will maintain office operations will begin in order to ensure a smooth transition
