Councilmen and Councilwomen,

I hope you have all had a wonderful start of your week!

As you may already know since we last met the Terre Haute Flag Committee and I have found a home for the 1st Terre Haute Flag store with Arts Illiana, we fundraised to put the flags into production, had the flag manufactured, and distributed those flags to the sponsors whom donated the money and early supporters whom pre-ordered a flag to help us raise the funds.

We are now co-hosting a flag raising ceremony with the Mayor's office and we would love for you to be there! The Mayor's office thought that it would make sense to host it this Thursday (April 10th) at 5:30 p.m. outside of City Hall so that all of you could be a part of it before your regularly scheduled meeting.

I know there is a chance for rain but raising the flag in the elements will just mean it is more exciting right?!

So I would love for you to be there with us to raise the flag. We have something special planned where all of us (flag committee, sponsors, City Council, and the Mayor's office) could all take a pull on the line to raise the flag together as one united people. My thought is that the flag committee would raise it the 1st 25%, the sponsors who helped us put the flag into manufacturing the next 25%, the City Council 25%, and then the Mayor's office to raise it the last 25%. We have this planned and coordinated with the Mayor's office and I would love for you to be a part of it and take a pull to help raise our flag together.

I will send the itinerary Eve has planned for the ceremony in an additional email in case it would cause this first one to bounce.

Hoping to see all of you on Thursday!
