--Help Desk

Good morning Ms. Edwards

My name is Sara Sanders and I live at 1141 S. Center Street in Farrington's Grove. I writing to express my concern about rezoning S. Center street, between College and Washington, from R-1 to R-2. Terre Haute has an overabundance of rental properties and this area is historically a single family residence zone. If the rating is changed to R-2, this will have an adverse impact on my home's property value and will have a negative affect on this family-friendly street.

Please vote NO on this rezoning issue. It is vital to the residents on S. Center Street.

Thank you,
Sara Sanders
