Members of the Terre Haute City Council:

I am writing in support of the historic preservation ordinance before you. I am a resident of Farrington's Grove, A regular contributor to the Historical Society Museum, and a native of Terre Haute who is quite proud of our city's history. I am not proud, however, of Terre Haute's failure up to this point in time in protecting the integrity of my neighborhood as well as other historical sites and structures within the city limits. It is my hope that the city council, along with the mayor, will work to better protect our heritage in the future.

Respectfully,

David K. Hilton, MD
