Hi Michelle,

Could you pass along the following note to our City Council. They're emails were returned to me.

Thank you,

Thierry Ponsot

Hello,

I hope all is well.

My wife and I completely oppose the rezoning the property located between Edgewood Grove, Fruitridge Avenue, Ohio Boulevard and Brown Ave. We do not need apartments in this area.

We would strongly support and welcome a development that would be homogeneous of the surrounding neighborhood.

As a community we have an opportunity here to get this right in this beautiful historic area.

Thank you,

Thierry and Brenda Ponsot
