I wanted to quickly update everyone. I just discovered that Downtown Terre Haute is planning on having a cleanup on April 5th (they wanted to do this the day before First Friday). I believe there will be a 5-7 time period available for anyone wanting to show up. I talked to Stephanie Pence, and told her a few council members would probably be interested in helping out. This will be a Downtown Terre Haute event, and while I hope a few of us are able to help out, it is not a city council event. If you have any questions about the event, feel free to contact me. Have a good evening!

Fellow council members,

I have been seeking something for us to do (if we wish) on the 5th, the night of our cancelled meeting. Neil came to me with the idea of council members meeting up downtown to clean the area. While we have yet to figure out all of the details, I was wondering who would all be interested in doing this. After speaking to Eddie on the phone this evening, I do not believe open door will be an issue, therefor we do not necessarily need to be concerned about a limit of four. Anyone who would like to participate in this should be able to. If this seems like something any of you would be interested in, please respond. Thanks!
