President Crossen and council members,

CITY CLERK

I was contacted in regards to a possible large crowd for this Thursday's city council meeting. Myself and Asst Chief Loudermilk will be present for this meeting to enforce the Maximum Occupancy for the city court room, which is 146. The Maximum Occupancy Load will be posted.

A few things to keep in mind:

1. The Exits must be kept clear.
2. The aisles must be kept clear for egress.
3. You may allow standing in the council area (the media area).

The council's support would be greatly appreciated during this meeting. Feel free to contact me if you have any questions.

Thank you,

Jeffery W. Fisher
