Hello!

I am writing to invite the Terre Haute City Council to participate in the Terre Haute Area Meals on Wheels Community Champions Week during our annual March for Meals campaign.

March is our time each year to educate, advocate, and raise vital funds for our organization. During this month we invite some of our community champions and partners to join us in our kitchen for a day, or on a delivery for a day, to experience what it is we do at Meals on Wheels in Terre Haute. We have the week of March 16th to the 20th marked as our week to invite community leaders into our world for an hour or two.

We are kicking off the week with Cops in the Kitchen on Monday March 16th, being joined by TH Police Chief Keen, WTH Police Chief Bark, Sheriff Plasse, and the Seelyville Marshall!

Tuesday the 17th of March is what we would like to call "City Champions Day". We already have Mayor Duke Bennett slated to join us for meal preparations that morning, but we would love to have a member of the City Council join us as well!

If a member of the Terre Haute City Council would like to join us, here are the times available that Tuesday:

1. to experience our process and help prepare the day's meals - 9am to 10:30am
2. to experience going on deliveries - 10:30am to noon

If Tuesday March 17th does not work, we can discuss other days that week, just be in touch!

If you have any questions or need more information, please let me know!

I hope you can join us.
