To Whom it May Concern:

It is my pleasure to write a letter of support for Hickory Recovery Network. Their facility in Linton has been a positive experience with many benefits to our town. We are pleased with the fifty jobs it has created and I've received no negative feedback regarding Hickory Recovery Network.

Their facility is clean, well maintained and they have become a valued member of our community. I would have no reservations recommending Hickory Recovery Network to any community.

Sincerely,

John A. Wilkes
