Good afternoon.

As you may be aware, we represent Chosen Terre Haute, LLC ("Chosen"). They are the petitioners in SO36.

Below and attached are photos of a like facility owned by Chosen. If you would be interested in a tour of the Terre Haute location, please let me know.

If you have driven by, you may have noticed boards on the windows. Once the determination is made, and the facility is re opened, the boards will be removed. Those were installed for safety issues during the remodeling. Chosen also plans to install a fence on the south side. If you have visited the site, you may have noticed the red paint on the ground indicating where the fence will be located. Chosen also plans to paint the outside and do landscaping once the weather cooperates.

Chosen is in the process of removing the storage units that are on the east side of the building. They were the original cause for the need for the variance. As stated, those will be removed, which then made the variance issue moot.

Thank you for your interest in this project. If you have any questions or concerns, please do not hesitate to contact me.

Richard

These were taken in Corydon. Exact same layout and bed count as Terra Haute. Let me know if you need more.
