"Please be safe during Halloween activities this month. Be sure to attend one of the Trunk or Treats listed below.

Treats listed below.

-Mayor Sakbun

"My wife Paiton and I welcomed our first child, Scarlett Sakbun, into the world, and are thrilled to bring in the fall season with her. There is much to look forward to during October. Colleges and Universities throughout Terre Haute will be hosting their annual homecoming events, as well as community organizations hosting Halloween festivities.

Customer's concerns about parking lot pavements have been answered in the North Plaza and progress will continue to come to Terre Haute. We have some exciting upcoming groundbreakings scheduled with our university partners. Both Rose Hulman and Indiana State are starting construction on multimillion dollar investments into the Wabash valley. We have several large municipal projects that have been confirmed. Demolition of dilapidated downtown buildings, Brown Ave Stormwater Project, and Herz Rose Park are just some of the projects finally starting."

Let's have a great fall season in Terredise!"
