From the Office of the Mayor

Welcome to the monthly newsletter from The Office of the Mayor, curated by Mayor Sakbun himself. This newsletter highlights upcoming city events, street closures, ongoing city project updates, public safety information, and whatever else the Mayor thinks you, the citizens, should be informed of this month.

Herz-Rose Park Groundbreaking on **October 21**.

"Enjoy the cooler weather this month! Be sure to attend [Sandbox Social with Sakbun on November 6th](#). Details below."

-Mayor Sakbun

"November is off to a great start. Projects across Terre Haute are nearing completion, or starting to progress. Renovations at Herz-Rose Park are officially underway! The neighboring community can look forward to a vibrant, new place for families and individuals to meet and play outside. We announced funding from the EPA to clean up 19th and Beech earlier in October. Another transformational project is taking place in North Terre Haute.

With the holiday season just around the corner, [charities](#) across the city will be hosting events to give back. Feel free to participate in these events in an effort to continue to better Terre Haute. Paving on Wabash Ave. is complete, and there will be more paving done on streets across the city! Let's continue to make progress and finish off the fall strong here in Terredise!"

-Mayor Brandon Sakbun

**City Hall will be closed on the following days in November;
5th, 11th, 28th, 29th.**

LEAF COLLECTION 2024

Leaf collection begins on November 12th

The City of Terre Haute Streets and Wastewater Utility Department will be collecting leaves starting on November 12th. Each zone will get two passes of the leaf vacuum truck. The second pass dates will be announced in December.

First Pass Date	
YELLOW ZONE	November 12-19
PINK ZONE	November 19-21
BLUE ZONE	November 25-27
GREEN ZONE	December 2-5
ORANGE ZONE	December 16-19
PURPLE ZONE	November 12-14

Find out what zone you're in and track the leaf vacuum truck live-
<https://datahub.terrehaute.in.gov>

Dates are subject to delays for weather incidents.

- Leaves should be placed loose (not in bags) at the curbside.
- Do not place leaves near poles, mailboxes, guy wires, or any other structures.
- Do not rake leaves into the street. This blocks street drainage during rain events.
- Do not put brush or branches with the leaves as it will not be collected.

Additionally, you can put up to 10 sealed bags of leaves out with your garbage cans and Republic will pick them up, no call to 311 necessary!

19TH AND BEECH EPA CLEANUP UPDATE

For more information about the cleanup, go to the EPA's informational website [HERE](#)

The City of Terre Haute, in collaboration with the Environmental Protection Agency (EPA), held a public community meeting two nights ago, Wednesday, October 30, in the City Hall Courtroom. The meeting was an opportunity for residents, concerned citizens, and interested parties to learn more about the ongoing cleanup project at the 19th and Beech site (formerly Colombian Enameling), as well as the health and safety measures being implemented by the EPA during the removal of hazardous materials, including asbestos.

We appreciate all of the members of the community who came out to the meeting and asked questions and used this opportunity to learn more about the project from subject matter experts and on site EPA coordinators.

HERZ-ROSE PARK CONSTRUCTION

Herz-Rose Park's construction project has begun! This renovation will include picnic shelters, splash pads, a new playground area, and refurbished basketball courts. Once completed this park will to serve as the focal point for the surrounding community. Expect updates on this project over the coming months.

HOMECOMING SYCAMORE SUPPORT

Mayor Sakbun, Indiana State University President Mike Godard, ISU's Director of Athletics Nathan Christensen, and ISU's Head Basketball Coach Matt Graves traveled across Downtown Terre Haute to

distribute posters to businesses to help support our ISU Sycamores for homecoming!

12 POINTS BRANCH OF VIGO COUNTY PUBLIC LIBRARY

A new public library is open in 12 Points! This branch has resources that include a cookbook exchange, book rental, and access to computers. Open 7 days a week, this two story building with countless resources is now accessible to the public. Stop by and check it out at 2200 North 13th St Terre Haute, IN 47804.

BUDDY BENCH PROJECT

Mayor Sakbun, Dr. Natasha Rascon, and Indiana State University President Mike Godard celebrate the completion of ISU communication student's "Buddy Bench" Project. In collaboration with the City of Terre Haute, Dr. Rascon's Organizational Communication class recycled plastic bottle caps and turned them into benches that will be placed throughout Terre Haute. Gaining knowledge in communication skills, and sustainability practices are some of the many things that these students learned, and these skills will help them in their future. The work of these students will benefit Terre Haute for years to come.

The Power of Paint

The Power of Paint is an opportunity for local artists to showcase their talent and make a positive impact on their community. By transforming ordinary traffic boxes into vibrant works of art, artists can add color, creativity, and a sense of community to our streets. This project not only beautifies The City of Terre Haute, but also encourages public engagement and fosters a sense of pride among residents.

All artist are invited to submit their ideas to help transform our city! By turning traffic boxes into works of art we can encourage public engagement while beautifying our city!
